Location

Our beautiful drive-to lodge and lakefront modern cabins provide excellent accommodations for fisherman and families, with a relaxing atmosphere in a true Canadian setting.

Enjoy Eagle Lake's own music as waves gently lap the shore.

Observe the awe-inspiring majesty of eagles soaring overhead as you fish. Enjoy the camaraderie of friends and family at our July potlucks. Witness a magnificent Canadian sunset from our screened in deck as a loon makes its evening call.

Colegrove's Eagle Lake Lodge is located on the northeast shore and looks out on Swanson Island and Walleye Rocks #1 and #2. Although Eagle Lake is a good size body of water (68,426 acres — 405 miles of shoreline) with its many bays, islands, points and creeks, it seems quite friendly. Average depth is 22', with a maximum of 110'. The lake has shallow weed beds to 20', 40', 60' and 80' drop-offs.

You seldom have to travel more than 10-15 minutes for great fishing!

Fishing

Nestled in the pine and birch trees on the shores of Eagle Lake, Colegrove's Eagle Lake Lodge is the place to be. Famous Eagle Lake is just waiting to challenge the anxious angler—record musky have been taken from the lake. Cast or troll for this fierce fighter as well as for walleye, northern pike or smallmouth bass. Eagle Lake produces trophy fish of all 4 major species throughout the season.

The number one producer is a 3/8 oz lead head jig. The Little Joe Spinner tipped with a minnow for walleye and bass is hard to beat. If you're after pike and musky, bring the Mepps Musky Killer or a Suick. Rapalas and Spoons are also good producers for all species. You'll find consistent fishing all season long at Colegrove's Eagle Lake Lodge.

For an exciting change of pace, daily fly-outs are available. We can arrange a daily fly-out to a remote, secluded lake. Your charter plane will pick you up at our dock and return you there at days end.

Accommodations

We offer you 10 spacious and immaculate cabins. Your cabin overlooks and is close to the lake. You'll find everything you need, as your cabin comes fully equipped with coffee makers, toasters and ample cookware, dishes, cutlery and a propane BBQ grill to please the most demanding chef.

We can sleep you, and up to 9 of your friends in their own beds in the same cabin. The other cabins sleep from 2 to 6 people comfortably. All fresh linens, pillows, towels and cozy Hudson Bay blankets are furnished.

Eats

Meals are served in our spacious dining room, by our friendly staff overlooking the lake. Breakfast is served in our dining room between 7:00—8:00AM. Dinner is served at 6:30PM. We take pride in serving you with the finest meals, the heartiest of appetites will be satisfied. We are famous for 10oz New York Strips and 2" thick pork chops. All meals include non-alcoholic beverages, salad, homemade bread and dessert. Our housekeeping guests are also invited to enjoy dining with us in casual comfort.

Service & Equipment

Our guests keep coming back! The number of guests who continue to return year after year is a real compliment to our commitment to friendly service. You will find first class facilities, equipment, fishing and awesome hospitality.

For your use, we offer 16' and 18' Lund boats powered by 25 and 40hp Mercury/Yamaha motors with electric start. At the dock you will be greeted by our friendly staff who are there to ensure a successful vacation to remember for a lifetime.

Your boat is waiting prepared with gas, bait and other items to start your day. At the end of your day, our staff is there to help dock and unload your boat, fillet, and package and freeze your catch. Fuel service is conveniently located at the dock. Guides are available by pre-arrangement. You may purchase both live and artificial bait at the Lodge, as well as fishing and hunting licenses.

When you arrive we will give you a free map of Eagle Lake and mark the HOT spots for you.

Need a fish filleting lesson? We will be more than happy to help you out.

When available, we supply free ice to cool your favorite drink.

Paddles, dip nets, life jackets, minnow buckets and swivel boat seats are all provided.

Pay phone, satellite TV, pool table and screened in deck are all located in the main Lodge. Come on over and swap a few stories, see where others are catching fish. Coffee is always on.

Guests can also find at their disposal a sand beach, swim raft, tube, knee board, paddle boat, canoe, horseshoes, basketball net, fish cleaning house, freezer fish wrap, battery charging and shore lunch equipment. Children's playground and boat launching nearby.

If you want to take a break from the lake, Dryden and Vermillion Bay are close by and you can play a round of golf or go to the rec center, museum or gift shops. Banking and medical facilities are there too.

*At lands end...
the reel fun begins!*
